Brian and Joeline Chipps are a Theology of the Body certified teaching couple. They encourage fidelity and life long commitment through an intimate look at marriage and sexuality through the eyes of Saint John Paul II's teachings on the Theology of the Body.

Tom and Nancy Gruber bring many years of Marriage Encounter & Marriage Preparation experience to a lively discussion on communication and the ever-changing relationship of husband and wife. Their talk is a practical manual on how to daily live out the marriage commitment with humor, love and grace.
